TO THE VVELL DIS-
POSED TO READE, AND
to the merry disposed to Sing.

AMongst other liberall Arts, Musicke for her part, hath alwayes beene as liberall, in bestowing her melodious gifts, as any one whatsoeuer, and that in such rare manner, for diuersitie: and ample measure, for multiplicity, as more cannot be expected, except it were more then it is respected: yet in this kind onely, it may seeme somewhat niggardly and vnkind, in neuer (as yet) publikely communicating, but alwayes priuately retaining, and as it were, enuying to all, this more familiar mirth and iocund melodie. But it may bee Musicke hath hitherto beene defectiue in this vaine, because this vaine indeed, hath hitherto been defectiue in Musicke: and therefore, that fault being now mended, this kind of Musicke also is now commended to all mens kind acceptation. This did I willingly vndertake, and haue easily effected, that all might equally pertake of that which is so generally affected. Catches so generally affected (I take it) quia non superant captum, because they are so consonant to all ordinary ie musicall ca-

pacity, being ſuch indeed, as all ſuch whoſe loue of Muſicke exceedes their ſkill, cannot but commend, ſuch alſo, as all ſuch, whoſe ſkill in Muſicke, exceedes their loue of ſuch ſleight and light fancies, cannot either contemne or condemne. Good Art in all, for the more muſicall. good mirth and melodie for the more Iouiall, ſweet harmonie, mixed with much varietie, and both with great facilitie. Harmony to pleaſe, varietie to delight, facilitie to inuite thee. Some toyes yet muſicall, without abſurdity, Some very muſicall, yet pleaſing without difficulty, light, but not without muſickes delight, Muſickes pleaſantnes, but not without eaſines, what ſeemes old, is at leaſt renewed, Art hauing reformed what pleaſing tunes iniurious time and ignorance had deformed.

The onely intent is to giue generall content, compoſed by Art to make thee diſpoſed to mirth. Accept therefore kindly, what is done willingly, and publiſhed onely, to pleaſe good Company
